

SUMMIT S-SERIES

**FAST
RELIABLE
ECONOMICAL
CONSISTENT**

Introducing the SUMMIT S-Series. QubicaAMF has taken their SUMMIT lane machine; the most cost effective and reliable high volume machine in the bowling business, and made it even better. Plus, it saves you valuable time. The SUMMIT S-Series can accurately apply more than 100 units of conditioner per lane in less than two minutes. No longer will you have to condition your lanes twice a day.

The all variable spray system will clean your lanes faster and better, no matter how much oil is on the lanes. And, the patented conditioning technology offers a wide variety of conditioning patterns to please every type of bowler. The bottom-line? The SUMMIT S-Series makes your cleaning and conditioning easier, faster and much more efficient. It's the best. The pinnacle. The SUMMIT S-Series from QubicaAMF.

SPECIFICALLY DESIGNED TO CREATE A BETTER BOWLING ENVIRONMENT

THE HVO SUMMIT S-SERIES LANE MACHINE

Simple and easy, the SUMMIT S-Series is designed to be extremely reliable and efficient for the needs of any size center. The SUMMIT S-Series combination machine cleans, oils, and buffs in a single or double pass.

Access to Cleaner is easy with the tank fill right on top. The Summit S-Series with Variable Spray Cleaning lets you put cleaner where you need it when you need it. The clog resistant nozzles allow you to run longer with less maintenance. Also, on the Summit S-series is a reusable agitation pad that cuts down on maintenance costs and allows for perfect cleaning each and every time.
