

GIVING YOUR ENTIRE CENTER A NEW LOOK OVERNIGHT CAN BE FAST, EASY AND INEXPENSIVE. AND SOMETHING YOUR CUSTOMERS ARE SURE TO APPRECIATE.

Rekindle the excitement in your center with new graphics for your existing C-90, Options, or Signature mask frames. When you turn on the black lights the Xtreme™ colors and graphics seem to jump off of the wall. And, they're easy to install, which makes Signature Select™ masking panels a quick way to update and energize your center's décor.

You can select any combination of designs for the front and back, in available sizes, or pick one side only. For a quick and easy way to make your center more attractive for your customers, call 866-460-QAMF (7263) today, or visit our website at www.QubicaAMF.com.
