TROJAN BALL RACKS
BALL STORAGE WITH LEGENDARY
STYLE AND FLEXIBILITY

Trojan Ball Racks offer you a flexible system of attractive storage options that complement player and spectator areas alike. Each model features sturdy, incredibly durable 1-1/2" steel tube ball-rest rails. On island models you can mix rack positions with shelves however you like; and install an optional coat hook system on one side. All Trojan racks have color inserts on their pedestal legs that are available in 4 glow-in-the-dark color choices.

TROJAN PARTY TABLE

TROJAN PARTY TABLES ARE PERFECT FOR ANY PARTY!

Trojan Party Tables have all the attractive, functional, and durable qualities associated with the Trojan Collection, so you know they will keep their good looks despite hard, constant use at the hands of adults and children alike. Available in traditional table heights and taller cocktail table heights, Trojan Party Tables have sturdy pedestal bases with color strip inserts - in 4 glow-in-the-dark colors - to complement any center color scheme. For parties, Trojan Party Tables are the perfect choice.

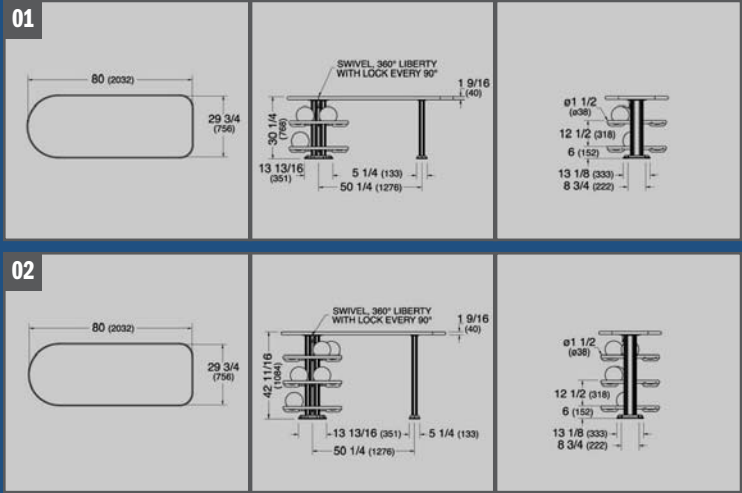

TROJAN PARTY TABLE

01 TROJAN Tower II with Party Pack (Holds 14 Balls) (Q100-1790)
It's a table. It's a space-conscious 14-ball storage tower. It's both. That's the Trojan Tower low-line party series. It's the perfect table for birthday-partying kids, especially when surrounded by Warrior Series freestanding seats.

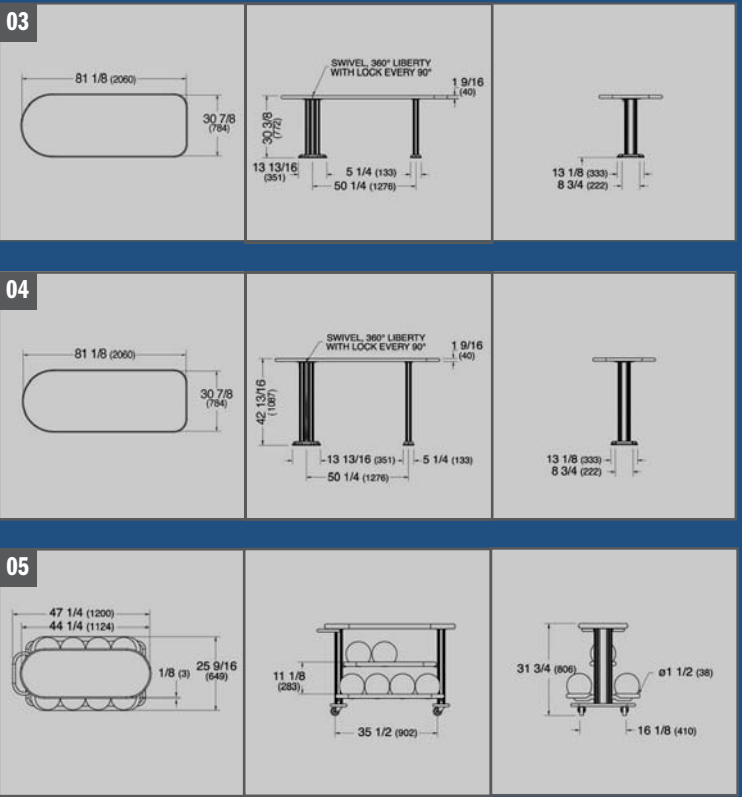

02 TROJAN Tower with Party Pack (Holds 21 Balls) (Q100-1780)
By day it's a regular Trojan 21 Ball Tower Rack with a long beverage top. At party time, that top can swing 360-degrees into action to form a long party-style group table. Pull up freestanding Gladiator Cocktail Stools for the perfect seating complement.

03 TROJAN II with Party Pack (without Ball Rings) (Q100-1793)
Part of the Trojan Tower low-line party series, it's the perfect table for kids and birthday parties. Free standing Warrior Series seating offers the perfect complement.

04 TROJAN III with Party Pack (without Ball Rings) (Q100-1783)
For parties this table top can swing 360-degrees to form a long party-style table. Free standing Gladiator Cocktail Stools offer the perfect seating complement.

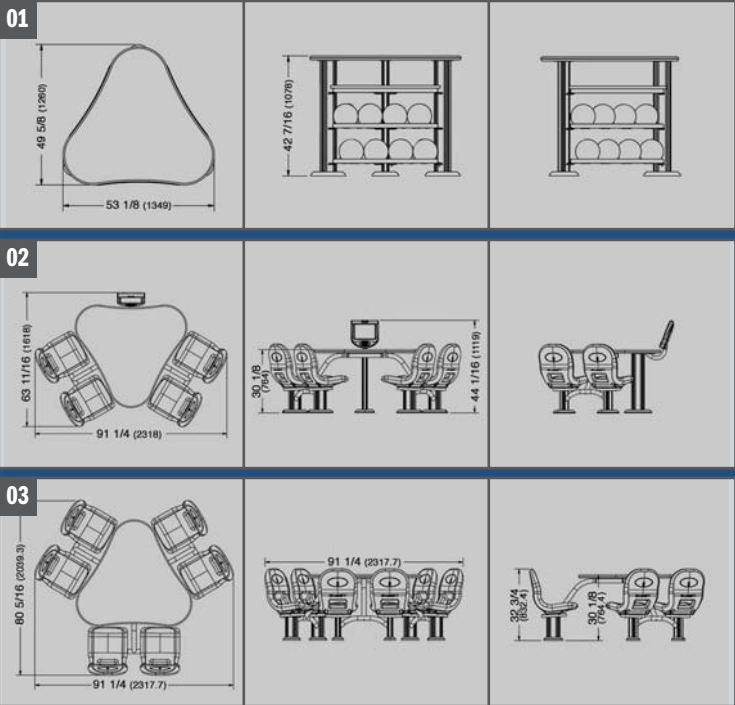

05 QUEST Lane Party (Trolley & Top) (Q100-1900)
This smart-looking, multi-purpose trolley is the perfect way to move up to 11 lightweight balls directly to your guests' players area. Manufactured from the same durable materials as other Quest pieces with the same clean look so that it fits right in wherever you roll it.

TRIANGLE TABLE
THE TABLES THAT OCCUPY LESS FLOOR
SPACE WITH MORE TABLETOP

Sitting at Magic Triangle™ tables, customers don't have to twist uncomfortably to see all the action – their seats swivel easily for them. Even little bowlers see right past big bowlers when seated at a Triangle Table. What's more, Magic Triangle Tables take up less floor space than traditional tables, yet provide 30% more surface area, so there's more room for pizza, drinks - everything. Turn on the black lights and Magic Triangle Tables glow magically to turn up the fun. Whether you're building a new center or upgrading, Magic Triangle Tables are a smart choice.

- 01 **MAGIC TRIANGLE BALL RACK TABLE**
(1 SIDED BALL RACK FOR 12 BALLS) (Q100-1360)
Goes especially well between 3-seat arrangements, or anywhere else. Other options are the following.
(Q100-1350) Without ball rack
(Q100-1337) Shelf Option for Magic Triangle Ball Rack Table
- 02 **TRIANGLE TABLE, 4 SEATS** (Console sold separately)

WARRIOR SERIES

WARRIOR SERIES
FOR FORM AND FUNCTION YOUR
CUSTOMERS ARE SURE TO APPRECIATE.

Contemporary and stylish, Warrior Series seating can be arranged in a variety of layout configurations. These bowler-tough seats can take the most rigorous use a busy center can dish out. All models boast the ultra-durable, one-piece formed, glow-in-the-dark Quest Seat on high-grade metal base structure.

- 01 QUEST Seat Bucket Only (Light-Gray)(133 1000-03)
The ultra-durable, one-piece formed, glow-in-the-dark Quest Seat is available for existing compatible base units.
- 02 WARRIOR Single Seat (Fixed Position, Bolt-Down)(Q100-1100)
Place Warrior Series Single Seats anywhere you want them. From freestanding to bolt-down to swivel-motion versions, they go well in virtually any area of your layout. No wonder Warrior Series Single Seats are favorites with centers everywhere.
- 03 QUEST Retrofit Seat Kit (612530102)
Upgrade your center without changing your existing mountings or floor pattern. Available for tube or t-bar style pedestals.

WARRIOR SERIES

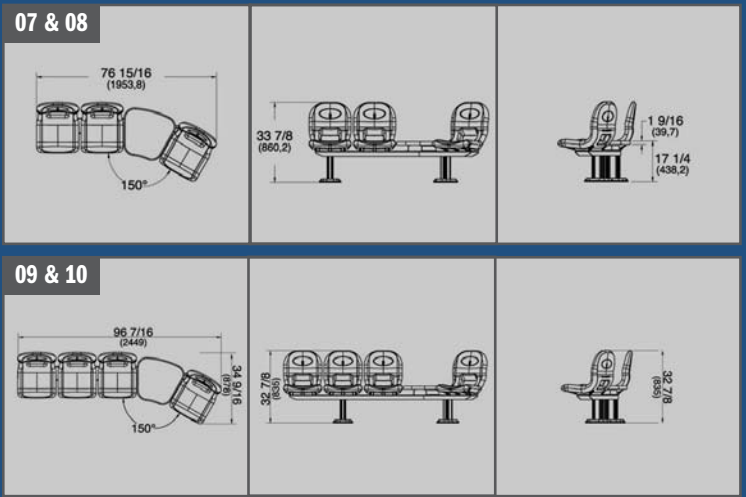

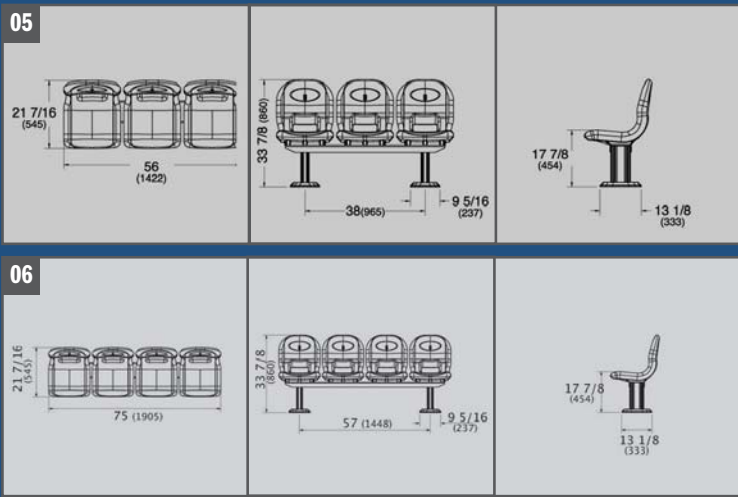

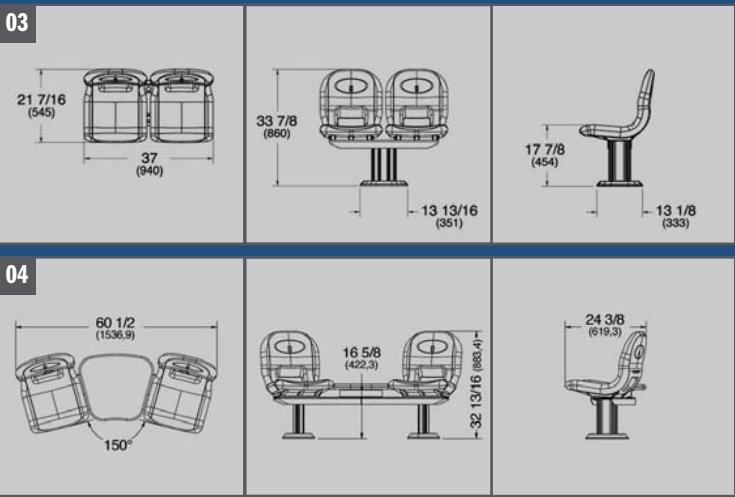

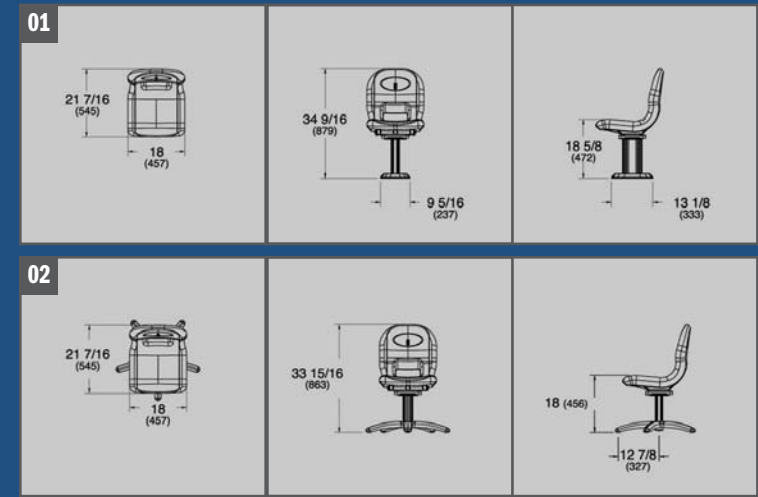

- 01 WARRIOR Single Seat (90° Swivel Motion, Bolt-Down) (Q100-1200)**
Feel free to place Warrior Series Single Seats anywhere you want. From freestanding to bolt-down to swivel versions, they go well virtually anywhere in your layout.
- 02 WARRIOR Single Seat (180° Swivel Motion, Freestanding Star Base) (Q100-1250)**
Warrior Series Single Seats provide unlimited placement flexibility. Freestanding, bolt-down, or swivel-motion, all models go well in virtually any center layout scheme in use today.

- 03 WARRIOR Twins (Q100-1120)**
Placement options abound with the Warrior Twin Seat Series, too. Put them in traditional locations. Mount them alongside an existing beverage counter. The choices are yours.
- 04 WARRIOR Twins With Beverage Top (Q100-1020)**
Warrior Twin Seats with the attached beverage top are perfect for any small settee area.

- 05 WARRIOR Triple Straight Line Seats (Q100-1130)**
To maximize seating capacity anywhere, the Warrior Straight Line Series is the obvious choice. It's suitable for player settee areas as well as spectator rows.
- 06 WARRIOR Quadruple Straight Line Seats (Bolt-Down) (Q100-1140)**
When four in-line seats suit your purposes better than three, the Warrior Quadruple meets the need, whether in player settee areas or spectator rows.

- 07 WARRIOR Triple Series With Beverage Top (4-Position R/H Curve) (Q100-1030)**
The traditionally curved Warrior Settee Series works well in player areas, whatever their dimensional requirements. Seat-table positions are interchangeable to improve functionality, player comfort, or both.
- 08 WARRIOR Triple Series With Beverage Top (4 Position-L/H Curve) (Q100-1035)**
- 09 WARRIOR 4-Seat With Beverage Top (5 Position R/H Curve) (Q100-1040)**
- 10 WARRIOR 4-Seat With Beverage Top (5 Position L/H Curve) (Q100-1045)**

CHARIOT SERIES

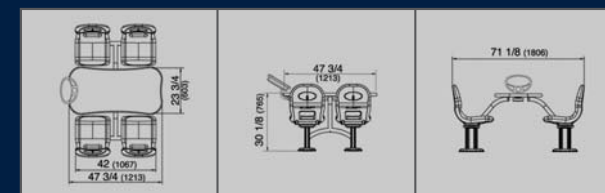

CHARIOT SERIES BUILT FOR COMFORT AND STYLE EVEN YOUR TOUGHEST CUSTOMERS WILL NOTICE

All Chariot Series 4-seat combinations have clean, modern lines. The Chariot series promotes a private lane environment, subtly promoting an atmosphere that encourages additional games and more food and beverage purchases. The Chariot Series accommodates all QubicaAMF table-mounted scorer consoles cleanly with its concealed cable system.

CHARIOT Series-II (Bolt-Down, 4-Seat Cluster, Swivel Seats) (Q100-1420)

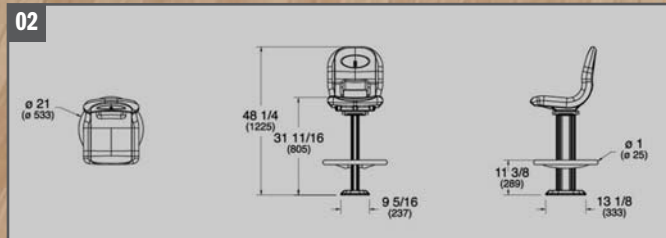

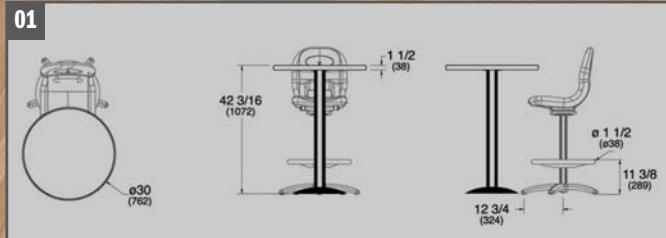

Bowlers enjoy the added comfort Chariot Series swivel seats afford. What's more, its smart cable concealing system makes the Series-II ideal for all table-mounted scorer consoles. Series-II can be attached to the floor in 4 positions by way of maintenance-friendly, durable hard-cast alloy bases.

GLADIATOR SERIES

GLADIATOR SERIES DESIGNED FOR FREESTANDING FREEDOM AND VERSATILITY.

Gladiator furniture complements your concourse area from one end to the other. The Gladiator series comes in a wide variety of designer solutions to help connect the layout and interior design of your entire center.

01 GLADIATOR 42" High Top Cocktail Table (Freestanding Base)(Q100-1470)

This attractive combination of high-top cocktail tables and stools can dress up your bar, café and concourse. Add matching stools to create the equivalent of spectator box-seats for enjoying your F&B offerings.

02 GLADIATOR Bolt Down Cocktail Stool With Swivel (Q100-1205)

Furniture that's fixed down is furniture that has less chance of abuse, hence the Gladiator Bolt-Down Stool Series. Supplied standard with swivel seats, the Gladiator Bolt-Down Stool makes the perfect bar stool.

03 GLADIATOR Single Stool With Swivel (Freestanding Star Base) (Q100-1225)

Add two Gladiator Single stools to a Gladiator cocktail table and create a relaxing spot for two. The Gladiator Single Stool is ergonomically comfortable, has an encircling footrest at optimum height, and its hard-wearing surface cleans easily and fast.

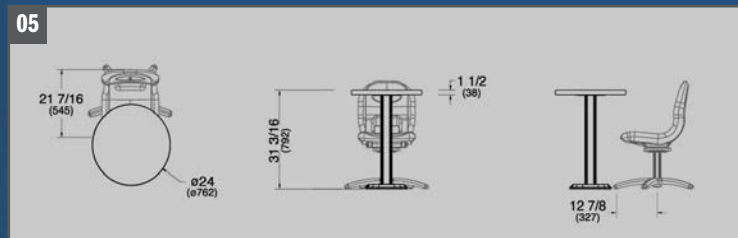

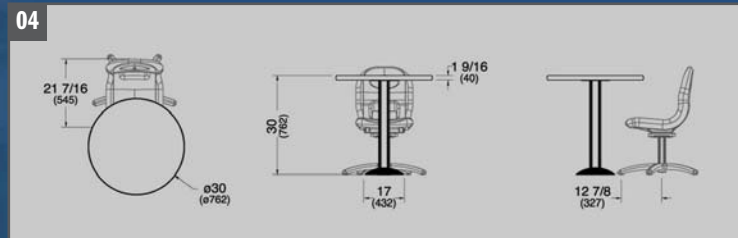

04 GLADIATOR 30" High Cocktail Table, (30" Diameter)

(Freestanding Base) (Q100-1450)

Deck-out your café areas. Provide an unobstructed sightline in your spectator area. The Gladiator Series of cocktail tables is perfect for both. They come standard with glow-in-the-dark laminate. Add Warrior Series freestanding swivel seats for a coordinated look.

05 GLADIATOR 30" High Bolt-Down Cocktail Table (24" Diameter) (Q100-1460)

For the security of fixed down furniture, go with bolt-down version of the Gladiator cocktail table in your café and spectator areas.
